Marie: According to the book Plymouth Colony Its History &  
People 1620-1691 by Eugene Aubrey Stratton .A contemporary,  
Nathaniel Brewster of Brookhaven, L.I., in spite of claims  
to the contrary, has been shown most likely not to have been  
related to Elder Brewster's family ( Donald Lines Jacobus,  
"The Family of Rev Nathaniel Brewster," TAG 12:199).While  
Elder William Brewster's s.Love did have a son Nathaniel  
this book does not show her name. I descend from Elder  
Brewster's son Jonathan. His son Wrestling died without  
issue. I have seen the 2 vols. in the Miami Library, that  
were mentioned in your message.Beverly in Miami
